**BOOK EARLY:** If you have fallen in love with what Blueprint Hair Studio has to offer for bridal services. All we ask is to book as soon as possible to avoid disappointment. You are important to us and we would love to give you the most amazing experience. Blueprint we require 50% of total services booked to secure a booking. We are a very popular choice in Bermuda and we take our wedding clients very seriously!

**\*\*If you are wanting Blueprint for a Destination wedding outside of Bermuda we do have different pricing for that and the salon can be contacted for that information.\*\***

- NUMBER OF HEADS:** Provide the correct number of persons receiving styling during the time of booking to avoid incorrect timing and well as quoting. If the number of persons receiving hair services changes please contact Blueprint Hair Studio as soon as you can to secure the extra time.
- CONSOLIDATE SERVICES:** If you are having a make-up artist performing alongside hair and there is the same number of guests receiving hair and makeup, we should be booked at the same time or as close as possible. Alternating hair and make-up makes the day go smoothly. At the bottom of this checklist please see our highly recommended makeup artists for make-up services in Bermuda.
- WEDDING TRIAL:** If you are unsure about a particular style or would like to have a “run through” of what your potential style could look like. We recommend booking a bridal on-site trial. This will be an additional \$150 - \$200 due on the trial date. Approx. time 1 hr 15mins. This includes a consultation and styling.

This will get you familiar with the stylist doing your hair on the actual wedding day as well as gives you clarity on what it is your looking for on your big day. At this time pictures of wedding dresses and possible hair ideas would be necessary. During this bridal trial if you are considering having any kind of extensions or added hair pieces, veils, or hair accessories this will be recommended to be

brought along with you. It is vital that we have our stylists set up to win for your trial! If you have not decided on these items our stylists can give you their professional guidance on what you will need for the big day. The stylists will also give you advice on what steps you need to take to get your hair in order leading up to the day! YES!!!! If coloring, cutting or pre-styling is needed before the day you will get this information at this trial appointment. It is very important for the look you are going for is perfectly executed from start to finish.

- TIMING:** Be sure of your finishing time. i.e. If you have the photographer coming 2 hours prior to the wedding ceremony time, and he/she advises you to be ready. We will need to be finished hair services 3 hours earlier to give you and your bridal party 1 full hour to get dressed and allow extra time for unforeseen delays.
- CONSULTATION:** If any of your wedding party has any questions personally about their hair, they can book a free 15 minute consultation at the salon and resolve any queries then.
- CANCELLATION POLICY:** Payment is required in FULL if a wedding is cancelled less than 2 weeks prior to the date of the wedding and will be charged on the signed authorized credit card on file. A loss of the initial 50% deposit will come into effect should you cancel within 3-4 weeks of the wedding date. A lot of time is being blocked out for weddings and the inconvenience of other clients is taken into consideration.

Should Blueprint Hair Studio have to cancel your reservation for any reason you will be re-issued your deposit, or any fees paid up to date of cancellation.

At this time, COVID will not be accepted as a reason for cancellation for weddings and the above policy will stay in effect.

Should your stylist become sick or unable to come due to unforeseen circumstances we will find a replacement for them.

## 1. WEDDING HAIR PREPARATION

---

- CLEAN & DRY HAIR:** Hair on wedding day must be clean and dry! One-day old hair is recommended with minimal product. Try to avoid heavy serums, hair sprays, and oils. Dry shampoo is perfect to use if need be!
- LENGTH OF HAIR:** If you are worried about your hair not being long enough or the texture. Please come in for a consultation to see what is recommended for your hair type.
- SHAMPOOING SAME DAY:** If you have very fine or oily hair you may shampoo same day but please do not use conditioner! This results in lifeless styling and most conditioners contain silicones that can coat the hair and make curls fall limp quickly. Hair will have to be completely dry to avoid additional charges. (\$50pp)
- SHORT AND MID-LENGTH HAIR:** If you have any guests in your party with short or medium length hair (just past the neck) please let us know as pricing may vary but this not guaranteed.

## 2. WEDDING ACCESSORIES, VEIL OR HAIR EXTENSIONS

---

- CHOOSING WEDDING ACCESSORIES:** When choosing wedding accessories be mindful of how your look will be during the wedding ceremony and then during the reception. You may like a veil with small jewels for the ceremony and then a more elaborate piece for the reception with no veil. Just keep that in mind! Hair accessories will also be put in by Blueprint just have them available.
- HAIR COLOR AND EXTENSIONS:** If needing extensions or clip-ins insure that the extension hair matches your desired hair color for the wedding day. We can offer these services for you at an additional cost. ALL stylists specialize in Easi-hair Pro Tape-in Extensions and use the fastest growing color brand on the market! If you would like to provide your own hair we welcome that as well!
- PURCHASING VEILS:** We understand veils can be very hard to bring for trials and some brides have booked so far in advanced they do not even have a veil! But that is ok, pictures are great to bring for trials just ensure when you are shopping for them the hair style you choose is with you. Hairstyles and veils go hand in hand! Typically we will be the ones installing the veil and want to make sure you have chosen the right one for your vision.
